Bay Area Chapter

The Bay Area Association of Pediatric Hematology/Oncology Nurses (BAPHON) is pleased to present our 4th annual educational symposium. Our organization is dedicated to providing ongoing educational opportunities for our members, as well as all nurses and allied health professionals passionate about providing compassionate and high-quality care to children, adolescents, and young adults with cancer and blood disorders.

SYMPOSIUM OBJECTIVES

- Understand overall trends of opioid usage in pain management in pediatric patients
- Review recent therapeutic advances in management of rhabdomyosarcoma
- Examine the concept of self-regulation in daily practice for pediatric oncology nurses
- Identify the impacts of nutritional status on health in pediatric oncology and BMT patient population
- Review management of complications of sickle cell disease in the pediatric population
- Outline underlying concepts of blood and marrow transplantation
