Bay Area Chapter

The Bay Area Association of Pediatric Hematology/Oncology Nurses (BAPHON) is pleased to present our 2nd annual educational symposium. Our organization is dedicated to providing ongoing educational opportunities for our members, as well as all nurses and allied health professionals passionate about providing compassionate and high quality care to children, adolescents, and young adults with cancer and blood disorders.

SYMPOSIUM OBJECTIVES

- Review treatment strategies for Gene Therapy in the HSCT setting
- Discuss blood transfusion guidelines for pediatric hematology/oncology patients
- Examine the epigenetic basis and treatment implications of pediatric diffuse midline gliomas
- Review the basics of pediatric radiation oncology therapy for CNS malignancies
- Understand causes of compassion fatigue and strategies for nurturing resilience
