Bay Area Chapter

The Bay Area Association of Pediatric Hematology/Oncology Nurses (BAPHON) is pleased to present our 3rd annual educational symposium. Our organization is dedicated to providing ongoing educational opportunities for our members, as well as all nurses and allied health professionals passionate about providing compassionate and high quality care to children, adolescents, and young adults with cancer and blood disorders.

SYMPOSIUM OBJECTIVES

- Understand basics of interpreting Complete Blood Counts (CBCs)
- Review novel treatment strategies in pediatric medulloblastoma
- Examine unique decision-making processes in adolescents & young adults (AYAs) with cancer
- Understand the impact of the microbiome in pediatric hem/onc/SCT patients
- Review therapeutic treatment strategies in neuroblastoma
- Review the basics of pediatric non-Hodgkin's lymphoma therapies
